

HERBERT BLOMSTEDT

LETTER OF RECOMMENDATION
FOR
EDUARD STAN

To Whom It May Concern

I have heard the excellent Romanian Pianist E d u a r d S t a n on several occasions. Especially in Romantic Repertoire like Schubert and Schumann he is in his true element.

His technique is flawless, and his musicianship is completely natural and captivating. It must be a joy to make music with him. He has a warm personality, taking an interest in the people he plays with and for. That makes him also an ideal chamber music partner.

It is a pleasure to recommend him for Recitals and Concertos in any venue.
